

# Guidelines for Donations

Cash donations are preferred as it allows us to buy in bulk and utilize offers for non-profit organizations like ours.

We have carefully considered the list of suggested shelf-stable food items for donation. Please refrain from donating items not listed.

Food items must be unopened and not expired.

We cannot accept food items prepared at home.

No alcohol can be accepted for donation.

Donations for non-food items like towels, blankets, or clothing can be made to St. Luke's Closet by dropping them off at the main church entrance during office hours (Monday – Thursday, 9:00 am to 2:00 pm).

Thank you for supporting this important ministry!
